Dear Sir,

INFORMATION RELATED TO MR. DHEKRE SABER SALEH

Be informed, a student named Dhekre Saber Saleh is my supervised student at the Universiti Teknologi Malaysia. He is enrolled in the Doctor of Philosophy programme, and his matrix number is PCS193041. He is now in his fourth semester.

He finished defending a proposal titled "A predictive analysis framework of thyroid disease using machine learning approaches" this semester. In addition, he submitted the first article to Baghdad Science Journal, which is indexed by Scopus. He has begun to submit his second article to Web of Science. Hopefully, this information can support the extension period of his studies from your side.

Yours sincerely,

ASSOC. PROF. DR. MOHD. SHAHIZAN BIN OTHMAN
